VARIOUS SECTIONS

Severe Engagements are Going On in Northern France, Northern Poland and Carpathians

CONFLICTING REPORTS SENT OUT BY NATIONS

Hardest Fighting is in Progress in the Carpathians and in West Central Poland, Petrograd Claiming Success for Russians, and Vienna Telling of Their Defeat-Turks Have Been Defeated in the Black Sea Region-German Submarines are Again Operating in the Irish Sea.

The forces of the triple entente powers are still arrayed at various places in heavy battles against the troops of the Teutonic allies. The latest of felel paper of the triple entente powers are to be called out April 16, are organized as six regiments, two of them consisting of pioneers, one of pontoon troops, one of telegraph troops, one of relievant troops, one of relievant troops, and one of relievant troops. of the Teutonic allies. The latest official reports show that severe engagements are waging in northern
France, northern Poland, in the Carpathian region and in the vicinity of
the Black sea in the Caucasus.

Probably the hardest fighting is going on in the Carpathians and in West
Central Poland, although an encounter of no mean proportions appearent.

ter of no mean proportions apparently has taken place on the heights of the Meuse in France where the French war office declares that about 900 yards of trenches were taken from

Berlin, however, denies this allegation an dasserts that the German arms were victorious here.

Likewise Petrograd and Vienna are at variance with regard to who has had the upper hand in the Carpathians, both asserting that they have captured positions and large numbers of men. At one place, Petrograd says, the Russians destroyed three battalians of Austrians. lions of Austrians,
In north and central Poland the
fighting is characterized as stubborn,
respectively west of the Niemen and
the vicinity of the rivers Skwa and

Omulew.

A defeat of the Turks in the Black lea region and a continuation of the oreing of the Ottoman troops back in the vicinity of the Tchoruk is hronicled by Petrograd.

There has been an attack by allied winters on the German aviation camp.

wistors on the German aviation camp to Ghistelles, Belgium, and a heavy combardment has been heard coming from the Gulf of Saros. This latter operation probably was directed urainst the Turkish forts on the Gal-lipoli peninsula. In the Dardanelles, cept for a battleship throwing shells to batteries at Kalid Bahr there work of the mine sweepers. German submarines again are cating in the Irish sea and it is beli

hat at least one more merchant ship has been sunk by them. Nothing startling has developed on political side of the situation, Aur opened direct negotiations with concerning possible territorial that Italy continues her military preparations not knowing what the future may bring her. The Italian Alpine troops of the 1883 category and the artillery and engineer reserve officers have been summoned to the colors. Berlin reports the Bulgarian pre-mier as having said in an interview that Bulgaria has decided to maintain her neutrality as long as it is in the erest of the country to do so. Greek government in a statement de-clares that it is doing everything in its power "to avoid possible dangers."

ANTI-AUSTRIA MEETING

Resolutions Passed Asking Governme

to "Obtain by Arms the Frontiers." Rome, March 28, 1.45 a. m., via Paris, 7.20 p. m.—A large meeting was held here today by Italians who favor the taking of Trent, Trieste and Dalmatia. Forces of troops were present to pre-

ent disorders.

A resolution was unanimously passed equesting the government to obtain by arms the frontiers of Italy." After the meeting the crowd attempted to have a constraint of the meeting the crowd attempted to have the meeting the crowd attempted to have the constraint of th ed by the troops and dispersed al arrests were made. Among ose in attendance were senators, puties and aldermen and the repre-

hall in which the meeting was The half in which the fleeting was field was decorated with the flags of Trent. Trieste, Istria and Dalmatia. Several orators made addressee, among them Signor Barsellai, a native of Trieste, who has been deputy for Rome for 25 years. He was greeted enthusi-astically when he said the moment had arrived to take I'rent, the key to horthern Italy, and Trieste, the door to

General Ricciotti Garibaldi, his wife and their son Peppino were greeted with rounds of applause when they entered the hall. There were cries of "Long live Garibaldi," "Long live France" and "Down with Austria."

CALLED TO THE COLORS. vice for 45 Days.

Rome, Italy, March 27, 10.10 p. m., ia Paris, March 28, 11.35 a, m.—All he Alpine troops of the first category, orn in 1883, have been called to the clors by the Italian war department or 45 days.

The official military journal also alls to the colors all artillery and enflower reserve officers for 60 days from toril 16.

The Alpine troops are frontier forces ranized especially to defend the cuntain passes leading into Italy. ganized especially ganized especially ganized especially outside passes leading into countain passes leading into a first force consists of eight regiments of 38 mountain artillery batteries. In addition to these, there are three regiments of heavy artillery of ten batteries each, one regiment of large passes artillery of eight batteries and large passes of fortress artillery.

Rome, March 27, via Paris, March she remained fast unconstant the large pass been taken by the Italian government preparatory to the beginning of hositiliently uninjured and is expected ties by Italy on the side of the allies, pass out to sea during the day.

Cabled Paragraphs Government Party Wins in Japan.

Tokio, March 29, 10.15 a. m.—Com-plete returns, excepting one district, from the general elections held last om the general elections held last eek to choose a new house of repre-entatives show a pronounced victory or the government party. The gov-ment secured 213 seats, the opposi-on 136 and the independents 31.

Forts at Dardanus Destroyed. Paris, March 28.-It now has been established that the forts at Dardanus has been destroyed and those at Kilid Bahr seriously damaged by the operations of the allied fleet in Dardanelles, says a Havas deep Dardanelles, says a Havas from Athens dated Friday.

Albanian Rebels Attack Durazzo. Rome, March 28.—Sixty thousan Albanian rebels are said to be en gaged in the assault upon Durazzo, designed to force the retirement to Essad, Pasha, the Turkish provisional president. The bombardment of the port continues and several per-sons are said to have been wounded. The residence of Essua Pasha has badly damaged by shell

EITEL MUST GO TO SEA

Reports Are Current That She Will Dash to Sea.

Washington, March 28 .- Not many more hours remain for the German commerce raider cruiser Prinz Eitel Friedrigh to hold her status in American refuge at Newport News. While government officials still maintain se-crecy as to the time given the vesse to make repairs, that time is known o have almost expired, and Com-nander Max Thierichens either must ash soon for the open sea, where enmies are lurking, or submit to intern-ment of his ship by the United States for the remainder of the European

Although officials generally have be-leved that the Prinz Eitel would eventually be interned, the despatch of the battleship Alabama to Hampton Roads on neutrality duty has served IMPORTANCE IN FRANCE to indicate that the navy department may have reason to think she will put to sea, and reports are current that the of such an intention. In view of the fact that British and French warships have been waiting outside the three-mile limit, it is declared the Washingcation was issued by the war office report on the whole front. To the east of the heights of the Meuse, near Marcheville we lost a portion of a German trench, which we had capton authorities deem it essential to have means of enforcing neutrality within the waters of American juris German trench, which we tured Saturday.

"At Hartmanns-Weilkorpopf we have consolidated our positions. The total number of prisoners taken by us in the course of the attack which made us masters of the summit is six Friedrich would remain in coastal waters within the three-mile limit, proceeding up or down the coast 24 hours of these was apply after the receipt of notice from the

made us masters of the solution officers officers, 34 non-commissioned officers and 353 men. None of these was wounded. We took in addition many wounded prisoners."

BELGIAN AVIATORS HAVE

BOMBARDED GERMAN CAMP.

BOMBARDED GERMAN CAMP.

Words on the coast 24 hours after the receipt of notice from the American government to depart. To see that neutrality regulations are not violated in this regard is advanced here as one of the reasons for sending the battleship Alabama to Hampton Roads.

The Alabama will leave Philadelphia tomowow morning, arriving at Hampton Roads. omorrow morning, arriving at Hamp-on Roads Tuesday. This is regarded here as an indication that the Eitel's time limit does not expire before Tuesday. Other war craft now at the Nor-folk navy yard are the submarines D-1. D-2. D-3, G-1 and G-2. It is not Treasury and navy department offi-

the German aviation camp at Chistelles (in West Flanders, seven miles southwest of Bruges).
"To the east of the heights of the Meuse, near Marcheville, we captured 300 metres (100 yards) of the enemy's ials communicated tonight with our toms officials at Newport News, but nothing was made public concerning the interchanges. It was believed, however, that instructions were sent relating to the Prinz Eitel and that a trenches and repulsed two counter-"As Les Eparges we continued our progress of the previous day, winning 150 metres of trenches." report was received on observations made late in the day at Newport News. The Prinz Eitel was reported still at her dock tonight, with smoke coming from both of her stacks. Until the last few days there has been smoke IN NEUTRAL WATERS. from one stack only.

> Government Condemns British REPORTED THAT EITEL IS TO BE TOWED TO NEW YORK

Berlin, March 28, by Wireless to Sayville, N. Y.—The German government today gave out an official statement in which it was affirmed that the German cruiser Dresden which was sunk off the Chilean Island of Juan Fernandez, March 14, by a British squadron, was destroyed in neutral waters. After condemning the British government for the manner i which the German warship was attacked, the statement says that it will be interesting to see what attitude the United States government will adopt "in the face of such a violation of the neutrality of a South American republic."

TO BE TOWED TO NEW YORK

Within the Three Mile Limit—Big Seagoing Tug Alongside Her.

Newport News, Va., March 28.—Reports that the Prinz Eitel Friedrich would be towed to New York within the three mile limit were current here tonight, following the arrival of a big seagoing tug equipped with wireless which tied up to a shipyard pier close to the German cruiser.

Marine men said that this would be possible, as the Eitel is now drawing less than 13 feet of water. The rumor was given credence in view of the re-Marine men said that this would be possible, as the Eitel is now drawing less than 13 feet of water. ounter-attacks, delivered with admirble pluck, have been comparatively Artillery of Heavy Calibre. The French are employing such quantities of artillery, newly constructed and of heavy calibre, that they can combine and concentrate their fire in a way not seen before in this war. The French officers say their guns can dominate the adversary's po-sitions at any time or place.

"Used 1,500,000 Projectiles. During the 20 days' advance in the hampagne region the French have sed 1,509,000 projectiles against Ger-an positions. All along this front one leard narratives of deeds of individual

idiers and of officers, Saw a Battery in Action. The correspondent saw a battery in action. An officer was posted somewhere toward the front, whence he could observe accurately how the shells were bursting. He gave his instructions by telephone. These were received by a regrespond who called our structions by telephone. These were received by a sergeant who called out a penetrating voice the modifica-

"No. 4—100 metres to the right."
"No. 1—50 metres ahead."
This chanting, as it were, of ranges was audible a quarter of a mile away in all parts of the pine woods. It was followed in two or three seconds by a crash of the gun, the roar of a shell tearing through the air and then the dull detonation of the projectile, burst-
